INDEPENDENT AUDITORS' REPORT

To the Members of the Board of Directors of
South Muskoka Hospital Foundation

We have audited the accompanying financial statements of South Muskoka Hospital Foundation, which comprise the statement of financial position as at June 30, 2017, the statement of operations and changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of the South Muskoka Hospital Foundation as at June 30, 2017, and the results of its operations and its cash flows for the year ended in accordance with Canadian accounting standards for not-for-profit organizations.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
FOR THE YEAR ENDED JUNE 30, 2017

NATURE AND PURPOSE OF ORGANIZATION

The South Muskoka Hospital Foundation is a non-profit organization incorporated without share capital under the laws of Ontario. The Foundation is involved in raising funds for the benefit of the Muskoka Algonquin Healthcare - South Muskoka Memorial Hospital Site and/or persons or associations in the health care field in the community. The Foundation is to be carried on without pecuniary gain to its members and any profits or other accretions are to be used in promoting its objectives.

The Foundation is a registered charity and, as such, is exempt from income tax and may issue income tax receipts to donors.

SIGNIFICANT ACCOUNTING POLICIES

GENERAL

These financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook – Accounting.

REVENUE RECOGNITION

The Foundation follows the cash method of accounting for contributions. Contributions whether restricted or unrestricted are recognized as revenue of appropriate funds when received.

USE OF ESTIMATES

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

FOREIGN CURRENCY

Foreign currency accounts are translated to Canadian dollars as follows: At the transaction date, each asset, liability, revenue or expense is translated into Canadian dollars by the use of the exchange rate in effect at that date. At the year-end date, monetary assets and liabilities are translated into Canadian dollars by using the exchange rate.

FINANCIAL INSTRUMENTS

The Foundation's financial instruments consist of cash, marketable investments, accounts receivable, accounts payable and accrued liabilities and amounts due to related parties. The carrying value of financial instruments approximates their fair value due to their short term nature. Unless otherwise noted, it is management's opinion that the corporation is not exposed to significant interest, currency or credit risks arising from its financial instruments.

SOUTH MUSKOKA HOSPITAL FOUNDATION
